ORDER:

Government has decided to provide e-Content to 4,59,564 VIII Class Students and 59,176 teachers on 24X7 basis everywhere, during the Academic Year 2022-23, for addressing the learning gap. The objectives are to ensure that the entire content is available on the TABs and hence become easy to carry for students. It will help in making learning an immersive experience by engaging all senses of the students. The TABs provide, text, videos, audio, animations, and even voice over content will enables self-learning and self-evaluation. This bring in targeted interventions and improve the Personal Adaptive Learning of students.

2. E-content will be provided by Byju's free of cost. Schools are being provided with Internet Connectivity. Students may not have internet connection at their homes. To overcome the issue, entire content of Classes VIII & IX is loaded in a Secure Digital (SD) Card to make it available 24X7 anywhere and everywhere in a year. Teachers will be trained virtually on using the device and delivery of content along with self-assessment. Teachers will in turn train all students in using the device.

3. To ensure the above, hereby the Government through reference 2nd read above approves the proposal of Commissioner of School Education mentioned in reference 1st read above.
